

**FIREWISE USA<sup>®</sup>**  
**RESIDENTS REDUCING WILDFIRE RISKS**

### **Educational Outreach**

Each participating site is required to hold a minimum of one wildfire risk reduction educational outreach event or activity annually. Please provide details of your annual activities in the section below.

### **Record an Activity or Event**

What educational outreach activities were completed?

- ✓ Completed a national Wildfire Community Preparedness Day project (1st Saturday in May)
- ✓ Coordinated a community-wide awareness/educational activity that increases wildfire risk reduction actions and overall preparedness
- ✓ Delivered via door-to-door, information on the community's wildfire danger
- ✓ Distributed "Welcome packets" with wildfire literature to all new residents
- ✓ Evacuation drill in collaboration with a law enforcement agency, fire department or local emergency manager
- ✓ Held a fire-resistant plant species workshop for residents in collaboration w/the local cooperative extension office
- ✓ HOA meeting or community-wide presentation that detailed the need and importance for individual wildfire preparedness
- ✓ Local emergency manager provided a presentation on building an emergency preparedness kit
- ✓ Mentored adjacent communities on how to become a Firewise site
- ✓ Provided an insurance policy clinic for residents to ensure policies are up-to-date with local building codes and costs, and inventories of personal belongings
- ✓ Residents participated in a volunteer mitigation activity for a senior or disabled neighbor
- ✓ Wildfire related article(s) placed in the community newsletter
- ✓ Wildfire workshop for residents with speakers/demonstrations from a forestry agency, fire department, or emergency management office
- ✓ COVID-19 challenges
- ✓ Other
